

CROSS VERMONT TRAIL

in GROTON STATE FOREST

Easy bicycle and strolling day trips through Groton State Forest and beyond.

The Cross Vermont Trail follows a portion of the historic Montpelier - Wells River Railroad. On it you can travel the length of the State Forest and beyond.

North of the Forest, the trail goes past scenic Marshfield Pond to Marshfield Village. To the south, it passes through Groton Village and continues to Pine Mountain Wildlife Management Area

The Cross Vermont Trail Association is working to create a multi use trail across the entire width of Vermont. You can help! We are a private non-profit, member based and volunteer driven.
